# ECFNC 36<sup>TH</sup> ANNUAL DINNER

**Speaker: Dennis Higgs**  
“Fish Communications”

Ever wonder what our local fish are doing underwater and how they know when a fishing boat is approaching? Did you know that some fish actually talk to each other and listen in on the world around them? You are invited to attend a presentation and discussion with Dr. Dennis Higgs, a professor, a local and international researcher, from the University of Windsor. Come out and hear your local waters and listen to sounds of fish talking to each other.

TICKETS: Ojibway Nature Centre 519-966-5852: open Wed. to Fri. noon to 5:00 and Sat. 10:00 to 5:00 pm or
